

Mission

The WISC Kids Club community promotes a nurturing, cooperative, educationally appropriate environment, enabling each student to flourish. It is the goal of this program and the desire of its staff to partner with families in providing learning through many age appropriate, hands-on experiences, to foster respect and caring for one another and to create a setting in which children can explore the world around them.

Philosophy

WISC Kids Club's curriculum and programs are designed to meet the needs of the individual child with emphasis on socialization, learning through structured play, fitness, basic themes and concepts, independence and ultimately kindergarten readiness.

Kids Club Curriculum

At Kids Club Preschool, children have daily opportunities for arts & crafts, play, fitness, reading, problem solving, music, outside exploration and fine motor skill development activities. With classrooms organized into activity centers, children have the opportunity to learn by making their own choices and exploring through hands on activities. Each classroom is equipped with the following centers:

- Reading
- Art
- Music
- Dramatic Play
- Manipulatives
- Blocks
- Sand/Water Table
- Science & Sensory

About WISC Kids Club Preschool

WISC Kids Club was established in 2003. Taking up a small section of the WISC, the program began to grow and create a wonderful name for itself throughout Williamsburg, as well as surrounding communities. The program has transformed over the years, from its modest beginnings as a day care center to a comprehensive preschool program in a larger, more accommodating kid friendly location.

Located directly behind the Williamsburg Indoor Sports Complex, the new WISC Kids Club Preschool facility opened its doors to students in February 2006. Students now have the opportunity to learn in a new fully equipped and fun preschool environment.

The school has developed into a seven classroom program, offering full and half day enrollment for children ages 2-5 years old. It also houses its own outside fenced-in playground. WISC Kids Club Preschool is licensed by the state of Virginia.

Kids Club Preschool and WISC — We Care for the Whole Child.

In addition to meeting a child's intellectual, social and developmental needs, we also offer organized sports and activities. Throughout the school day, children learn cooperation and teamwork. All of these aspects promote a healthy lifestyle for the children.

At WISC Kids Club Preschool, students are fortunate to have accessibility to a wide range of athletic equipment. Physical education components are integrated into the curriculum on a daily basis. Gross motor skills will be developed through a wide variety of sports including, but not limited to:

- Soccer
- Gymnastics
- Music and Movement
- Fitness

WISC also offers a variety of sport programs specifically designed for preschool aged children. For more information about programs and schedules, call 757-253-1947 or go to www.thewisc.com.
