

Coach-In-Training Program

It is the goal of this program to provide to you a true educational experience as to what it is like to apply, interview and work as an employee whether that is here at the WISC or somewhere else in the community.

Through this experience you will be learning many new skills. From leadership and problem solving to critical thinking and conflict resolutions, just to name a few. Also, your participation in the program can be used as a resume builder and can count as community service hours.

We will be holding all Coaches-In-Training to the same standards as our Coaches. They will be expected to attend staff meetings, complete staff trainings, complete responsibilities as outlined in the staff handbook and manual, and be responsive to requests of the directors.

If you are interested in joining the program, please fill out the attached application and email it to cdibble@thewisc.com by **MAY 1, 2019**. We will be accepting 4 Coaches in training each week. If your application passes the screening process, we will contact you to set up an interview.

We look forward to hearing from you,

Conor Dibble
