1st Touch Academy (2-4 yr. olds)

WISC has developed a program that is specifically designed for two to five year olds. The program is divided into four different age levels/classes: a 2-3 yr. old class (Lil' Dribblers) and 4 yr. olds (Lil' Shooters). Our goal is to provide a positive learning environment for your child with a focus on fun and fundamentals. As your child graduates to each program they will learn the basic skills required to be successful in soccer while gaining a better understanding of the game.

Fees per Term

Preschool Soccer 1 Day \$30 Member, \$70 Non-Member

All other classes \$50 Member, \$115 Non-Member

Lil' Dribblers (2-3 year olds)

This class is a Mommy (or Daddy) & Me Class. We begin each day with a warm-up and stretch. In this class we first introduce the first skills of soccer-here that they will get their "1st Touch" on the ball. We have developed games that will teach the proper way to kick, pass, and dribble. In addition, this may be one of the first exposures they have had to any sort of structure outside of the home. For that reason, we also focus on teaching them structure and listening skills.

Lil' Shooters (4 year olds)

In this class we continue to emphasize "Fun and Fundamentals." Not only do we teach them the basic skills but we have designed fun games that will allow them to practice these skills. We begin each day with a warm-up and stretch. Our coaches continue to promote structure and listening skills in a fun and positive environment. It is here that they also get their first exposure to the "real" game. We end every class with the parent tunnel which they all look forward to.

LAST CLASS CELEBRATION:

- Indoor Playground!
- Medals!
