

WISC/Sharks Rec Soccer League Weather Policy

If weather looks like it will be an issue for a particular day we will update the field status on the WISC/Sharks Rec Soccer Homepage. If weather is not an issue there will not be any updates.

Practices

If the fields are closed due to weather we will post the status on the WISC/Sharks Rec Soccer Homepage and we will send out an email. In addition, we will alert our front desk staff at WISC.

We do not have the ability to move practices indoors.

Games

If the fields are closed due to weather we have established an indoor rotational schedule

*We can only accommodate 1-2 divisions per week inside on our turf field if the outdoor fields are closed. The first week this happens the 4,5 yr old division and the AP Sharks League will go indoor starting at 9:00am. The schedule may vary from the outdoor schedule a bit but the first set of games (9:00am) will be the same. The exact schedule will be posted by 8:00am. **If the 2nd week weather is an issue the 5,6 yr old division will go indoor, 3rd week – 7,9 yr old division, 4th week 10-13 yr old division).***
